

Be a Paw Power Partner for Golden Retriever Rescue of Mid-Florida

Paw Power! Save your shoes for GRRMF and share this information with all your family and friends to help save goldens!

Ready for holiday and new year closet clean out? Is it on your new years resolution list of things to do? Save those gently worn sneakers, shoes, boots, sandals and flip flops for us! All sizes welcome from kids through adults. We are launching a shoe drive to raise funds in February & March 2018 with selected drop off locations on the west coast, east coast and central locations as well as the **main collection area at the 2018 Annual Reunion on Saturday, February 24th in St. Cloud, Florida.**

As you collect your shoes, if they have laces, tie each pair to keep them together with the laces. If no laces, we would appreciate if you would rubber band each pair to keep them together.

When our collection campaign ends, your shoes will be cared for by Funds2Orgs who work with different organizations to re-purpose your shoes to help humans in need. Your donation helps goldens and humans! How pawesome is that!

Any questions you have can be addressed to info@grrmf.org and information is available on our website at grrmf.org. Thank you for being a Paw Power Partner for our goldens in 2018!
